

## KG2 Supplies (2021-2022)

- ✓ For **KG2 Homeroom** classes, each student will have his/her own individual supplies, which will be placed inside a supply box (please see size below) and stored in the student's cubby in the classroom.
- ✓ School supplies must be brought to school on the **first day of class**. We will not be able to accept any supplies that are brought to school on Orientation Days or earlier.
- ✓ Supplies should be separated in plastic bags by subject areas, clearly labeled with the subject, child's full name and homeroom. We will not accept any supplies combined together in one large bag.
- ✓ **Please note that additional supplies might be requested by individual teachers throughout the academic year depending on consumption.**

### Face Masks/Shields:

- All staff and students are required to wear masks or face shields when riding the bus and while on campus. Met will not provide masks or face shields and students are asked to bring a minimum of 2 masks daily or a replacement face shield to school in case of breakage and to be able to change during the day.
- Students arriving to school without a mask or face shield, will not be permitted to enter the school campus/bus.
