

Dear Middle School Students, Parents, and Guardians,

Welcome to a new school year ! I hope this letter finds you all well and rejuvenated after a restful summer. As we embark on another exciting journey together, I want to take a moment to reflect on our goals and aspirations for this year.

Our mission is to foster a supportive and inclusive environment where every student can thrive academically, socially, and emotionally. We believe that each student has unique talents and abilities, and it is our goal to help them discover and develop these gifts.

This year, we are excited to announce the integration of WIN Time into our 5-day schedule. This dedicated time allows students to follow up on their individual needs, whether it's catching up on assignments, seeking extra help, or pursuing enrichment opportunities. Included in WIN Time is the Middle School advisory program which we believe will empower our students to take charge of their learning and ensure they have the support necessary to succeed.

Additionally, our electives program has been expanded to provide students with more opportunities to explore various skills and interests. From art and music to technology and sports, these electives are designed to help students discover their passions and develop new talents.

Our dedicated faculty is committed to providing high-quality instruction and support, ensuring that every student feels valued and inspired to succeed.

We will also prioritize communication between the school and home. Regular updates, newsletters, and events will help keep everyone informed and connected. I encourage you to participate in our school community by attending meetings, volunteering, and supporting our various programs.

As we navigate this school year together, I urge students to embrace challenges, seek help when needed, and support one another. Remember, we are all here to help you succeed.

Thank you for your continued support and partnership. Together, let's make this year memorable and impactful for our students.

Warm regards,
